KONGRE HAKKINDA

KARANLIKTA UMUDA: TRAVMADAN İLYESMEYE
ORTAK BİR YOLCULUK

Travma yalnızca bireylerin değil, toplumları da sessiz yarasıdır. Şiddetin, yoksullğun ve savaşın gölgesinde büyüğün hayatlara ışık tutmak, iyileşmenin kolektif gücünü hatırlamak için bir araya geliyoruz.

9-11 Ocak 2026'da İstanbul'da gerçekleştirilecek 1. Uluslararası Travma Önleme Çalışmaları Kongresi (UTÖC-KO), travmayı yalnızca anlamak değil, onu dönüştürmek için bir çağrıdır. Bilim insanlarını, uzmanları, öğrencileri ve sivil toplum temsilcilerini dayanışma içinde bir ortak iyileşme alanına davet ediyoruz.
